

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 3, 1995

SUBJECT: **HB 488 - SB 983**

This bill, if enacted, authorizes the Tennessee Wildlife Resources Agency to issue \$100 per facility propagator permits for cassowaries or emus.

The fiscal impact from enactment of this bill is estimated to result in an increase in state revenue due to the increase in fees. Since the number of permits which will be sold is unknown, the increase in state revenue cannot be reasonably determined but is estimated to be not significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
